### You still have time to Join Our Team!

Our PTO membership drive is still going strong! We're always looking for new faces and new volunteers to help out. Don't have time to help at events? That's ok! Your membership STILL helps support all the wonderful activities we provide for the students and faculty! Your donation makes a huge difference in the impact we can have for our school! Please consider a membership today!

Check us out at [www.RamblewoodPTO.com](http://www.RamblewoodPTO.com) or on Facebook to receive news, updates and volunteer information.

**WE NEED YOU!**  
**TO MAKE IT HAPPEN**

Our 2nd Annual Community Safety Fair and Touch a Truck is here! We had an amazing time last year and have added even more fun for 2019! You can skip the long lines by getting your preorders in by November 7! Join us for the fun!

Book fair is a great opportunity to encourage young readers. Kids get to choose books they want to read and expand their home library. Join us Saturday for the family event at Touch a Truck.

### Mark Your Calendar

Our next General PTO meeting is

**December 12 at  
6:00pm  
in the Cafeteria**

We hope to see you there!!

### Upcoming Fundraiser

**Larry's Family Night**

Dear Parents and Families,

Reading for pleasure unlocks the power of information and imagination and helps children discover who they are. Here's what you can do to help children develop stronger reading skills and a love for reading:

- Set the example. Let children see you read.
- Have a collection of books in your home. Update this collection routinely to keep up with changing tastes and reading skills.
- Support our school's Book Fair. Allow your children to choose their own books to read.

Our Scholastic Book Fair is a reading event that brings the books kids want to read right into our school. It's a wonderful selection of engaging and affordable books for every reading level. Please make plans to visit our Book Fair and be involved in shaping your child's reading habits.

Book Fair dates: Monday, November 4<sup>th</sup>- Saturday, November 9<sup>th</sup>

Online Shopping: October 27<sup>th</sup>- November 9<sup>th</sup>

Special activities: November 9<sup>th</sup>: Touch a Truck Family Day!

### Look for a VERY special surprise guest!

**Two NEW shopping options!** Book Fair eWallet is a safe and convenient digital payment option for your student to shop the Fair cash-free. If you're not able to attend the Fair, try our new online shopping. We've partnered with the Scholastic Store to offer over 6,000 products that ship direct to home (with free shipping on book-only orders of \$25 or more)! Visit our homepage to get started:

<https://www.scholastic.com/bf/resrams>

We hope to see you and your family at our Book Fair! Remember, all purchases benefit our school.

Sincerely,

  
Maria Perez  
Principal

# Smiley Face Math

- **What is Smiley Face Math?** Smiley Face Math is a program designed to enhance your child's journey through mathematics. It will help students develop problem-solving skills, and critical and creative thinking. The program is run by PTO parents and is available to students from Kindergarten through 5th grade who want to try, regardless of prior success in mathematics. We encourage involvement in the program through positive feedback and incentive rewards.
- **How does it work?** The worksheets will be emailed to you, or if necessary, printed and sent home with your child. Worksheets will be graded and returned to the students the following Friday so they can see what they accomplished and see how many smiley faces they have earned. Each problem is ranked accordingly to the level of difficulty. The number of smiley faces you see beside a problem indicates its level. As the number of smiley faces increases, so does the level of difficulty.
- **When does it start?** The program will start on November 22<sup>nd</sup> and end on February 14<sup>th</sup>.
- **Is my child supposed to complete every problem?** It is not expected that students know the answer to every problem on every worksheet. The process of interpreting, understanding, and trying different strategies is valuable in the attainment of mathematical power.
- **Can I help my child with the answers?** Your role in Smiley Face Math will be to encourage and facilitate problem solving. Feel free to offer guidance toward certain strategies and read the problems to your child, but please do not give the answer. For this program to be effective, the thinking should be done by the student.

If you would like your child to participate in the Smiley Face Math enrichment program, please complete the requested information at the bottom of this page and return it to your child's teacher no later than November 8<sup>th</sup>.
